

Under-12 Play Day – Orangeville – Saturday June 23, 2007

The under-12 play day will consist of 25 minute games that start and end on a horn. Every game will be running time. No scores will be kept. Each team is welcome to take one time out per game however, you will be losing game time if you decide to use your time out. The day's emphasis is on fun and learning. Teams should have eight players on the field at one time including goaltender. Women's field lacrosse sticks and mouth guards are required.

You will find Orangeville to be a very busy place for lacrosse on Saturday with three fields of Ontario Womens Lacrosse league play and the Barry Burman box lacrosse tournament taking place. You are invited to wander over to the other fields and the arena to enjoy the games being played.

Because there will be so much activity, play day participants and their families should plan on arriving with plenty of time before the first game to park, find the field, etc. Spectators are required to view the games from the opposite side of the field from the team benches.
